

(D) For the Sake of Their House (1/1) [10 Points]

The Permyak language is spoken by around 60,000 people on the western slope of the Ural Mountains in Russia. It belongs to the Finno-Ugric language family, along with Finnish, Estonian, Hungarian, and other languages that are mostly spoken in Russia.

Examine the following words in Permyak and their translations in English:

	Permyak	English		Permyak	English
1.	cerkulaŋ	towards the house	7.	purtəla	for the sake of my knife
2.	pizannezitulən	of your (sg.) desks	8.	tiezitkət	with your (sg.) lakes
3.	ponit	your (sg.) dog	9.	cerkuezliç	from the houses
4.	purtnis	their knife	10.	juççeza	my swans
5.	kəinnezis	his wolves	11.	kokiskət	with his foot
6.	vərelən	of my forest	12.	ciitlaŋ	towards your (sg.) hand

Notes: $\dot{\imath}$ and $\text{\textcircled{a}}$ are special vowel sounds of Permyak; c , $\text{\textcircled{c}}$, and η are pronounced similarly to k , s , and n , respectively. The abbreviations *sg.* and *pl.* stand for *singular* and *plural*. The word *their* has a plural meaning rather than a gender-neutral singular meaning.

D1. Write the English translation for each Permyak word.
